

JIM BARRY WINES

19 April 2013

Dear ...

I am pleased to send you samples of our current vintage dry red wines.

We will not be releasing a 2011 vintage of our top-tier wines — The Armagh, The Benbournie, The First Eleven and Pb — as we have put all of the material into these three wines to maintain their integrity and that of the Jim Barry brand as a whole.

Tasting notes for all three wines are appended. I trust you will enjoy tasting the fruits of our labours and that you may consider your assessments for publication.

Prices for the three wines are:

Jim Barry 2011 The McRae Wood Shiraz — RRP\$49.95

Jim Barry 2011 The Lodge Hill Shiraz — RRP\$22.95

Jim Barry 2011 The Cover Drive Cabernet Sauvignon — RRP\$22.95

If you have any questions or require any further information, please don't hesitate to contact me via email (peterbarry@jimbarry.com).

NOTE: WineMedia's website (www.winemedia.com.au) has available for download a range of product and personnel images.

Kind regards
